Being one of the world's leading insurers, Generali strongly believes in integrating sustainability into all that we do, unlocking the potential of disadvantaged people so that they can transform the lives of their families and communities.

“Your Companion to School” is a co-initiative between Generali Vietnam and NFVC since 2016. For the third consecutive year, Generali continues to collaborate with NFVC to provide better support to underprivileged students, helping them to pursue their education ambition. Their education efforts will result in better opportunities in their lives, their family, and for Vietnamese society in general. Generali Vietnam has committed to sponsoring VND 1 billion for this program in 2018.

Ms. Tina Nguyen, CEO of Generali Vietnam remarks: *“We are immensely thankful to our customers and business partners for the trust and support extended to Generali Vietnam. The company as a whole with all our employees and agents are committed to adding value to the communities through “Your Companion to School”. In collaboration with NFVC, we would like the initiative to bring hope and open up opportunities for the young generation of Vietnam. Their efforts will bring not only more opportunities for their own and families but also for a better community in Vietnam. ”*
